

Workshop on E-Learning Security (ELS-2009)

In Conjunction With

The 4th International Conference for Internet Technology and Secured Transactions (ICITST-2009)
Technical Co-Sponsored by IEEE UK/RI Section

November 9-12, 2009, London, UK (www.icitst.org)

Objectives

The aim of the ELS-2009 Workshop is to bring together researchers and practitioners interested in E-Learning Security and to discuss the latest advanced technologies in this area. This workshop is expected to stimulate discussions about the future development of appropriate models, methods, and tools for building E-Learning Security.

Topics of Interest include but are not limited to:

- Security and Privacy in E-Learning
- Security Issues on E-Learning Assessments
- E-Learning Security Auditing
- Biometrics in E-Learning
- Secure E-Learning Development and Application
- Digital Rights Management (DRM) for E-Learning
- Emerging E-Learning Markets

Important Dates

Paper Submission Deadline	June 30, 2009
Notification of Paper Acceptance/Rejection	July 31, 2009
Camera Ready Paper Due	September 1, 2009
Conference Dates	November 9-12, 2009

Paper Submission

The style file and templates is available at [Paper Submission](#). Please submit your full paper(s) in PDF format via email to els-2009@icitst.org

Workshop Chairs

Galyna Akmayeva, Wessex Institute of Technology / University of Wales, UK
Charles A. Shoniregun, Sheridan Institute of Technology and Advanced Learning, Canada
Kinshuk, Athabasca University, Canada

Technical Program Committee

Matteo Gaeta, University of Salerno, Italy
Vyacheslav Grebenyuk, Kharkiv National University of Radioelectronics (KNURE), Ukraine
Rashid Jayousi, Al-Quds University, Palestine
Victoria Repka, Kharkiv National University of Radioelectronics (KNURE), Ukraine
Gurmeet Singh, The University of the South Pacific, Fiji
Jongwook Woo, California State University, USA
Jeanne Schreurs, Hasselt University, Belgium
